### Important News.....Hometown Hero Award

Our 1st Quarter 2017 Hometown Hero Award Winners are our **Firefighters**. With the recent outbreak of fires in Kansas our firefighters have been out day and night risking their lives and taking time from their families to protect us. In honor of these amazing people our bank will be making a donation to the Hutchinson/Reno County Disaster Recovery Fund. Our bank is proud to say we have several connections to our local fire departments with an employee, Trevin Prieb from the Canton Fire Department, spouses, fathers, brothers who are all firefighters. We are so grateful for the jobs you do!

# Featured Product Retirement Products

- Traditional IRA-Offers tax-deferred earnings and for some, tax deductible contributions. Regular contribution eligibility includes earned income compensation and requires the individual to be younger than age 70 1/2 for the entire contribution tax year.
- Roth IRA-Contributions are not tax deductible, but all earnings are potentially nontaxable upon distribution. There is no maximum age limit to contribute to a Roth. Regular contribution eligibility includes earned income compensation and modified adjusted gross income limits.
- Coverdell Education Savings Account- Contributions are not tax deductible but earnings are tax deferred. Distributions for qualified education expenses are tax free.

Let us help you select an IRA that best fits your particular needs.
